FOREWORD BY NOEL HOGAN

“This stunning collection provides essential insights into a lesser known, yet highly significant segment of British popular and post punk music history.”

Britta Sweers, Professor of Cultural Anthropology of Music at the University of Bern

30% off with discount code **OUTOFHAND**

Led by the iconic Ian Curtis, Joy Division remains one of the most influential bands to emerge in the British Post-Punk Scene. In spite of Joy Division’s relatively short existence, their unique sound and distinct iconography have had a lasting impact on music fans and performers alike. This book disassembles the band’s contribution to rock music.

Based on up-to-date original research, *Heart And Soul* brings together established and newly emerging scholars who provide detailed examinations of the many layers of this multi-faceted and influential band and their singer, the late Ian Curtis, in particular. Given Joy Division’s complexities, the book draws upon a wide range of academic disciplines and approaches in order to make sense of this highly influential band.
